COLLINS MADE TWO HOMERS

Notable Feat by Boston Manager, But O'Neill and Hughes Also Got Four-Sackers.

BOSTON, Sept. 6.—Both games of the double-header with Washington yesterday were won by the local team.

The feature of the first game was the hard hitting of Jimmy Collins, with two home runs. The Senators also bagged two four-bag swats. Tip O'Neill got one of them, and Hughes bagged the other.

Second Game.

The afternoon game was of little interest to the 15,235 persons who saw it. Boston took the lead in the first inning and held it throughout, with the Senators never having a chance to catch up.

Wolfe was removed in the third inning, after the champions had five runs off him. Jacobson, who followed, acquitted himself more creditably.

Gibson was going strong and did not allow the visitors to score until the seventh inning, when they touched him up for three runs.

Cassidy got 2 triples and a single in four times up.

SENATORS PLAY TWO GAMES.

Manager Donovan of the Washington team wired this morning that the Senators would be two games in Washington with Boston tomorrow, the first beginning at 2 p. m.

BACHELORS WON OUT FROM THE BENEDICTS

A cricket match was played at Chevy Chase yesterday afternoon between the married men and the single men of the Washington Cricket Club. The bachelors won by 149 to 23. The bowling of Thomas Collins, of the winning team, and H. V. Lake, for the losers, was the feature.

The personnel of the teams was as follows:

Bachelors—R. W. Collins, captain; Thomas Collins, William J. Hopp, H. G. Crocker, Frank Marshall, Harry Holmes, Joseph Humpherson, Samuel Irvine, and Herbert Feldwick.

Married Men—James Stevens, captain; A. Toogood, H. V. Lake, John Roberts, Henry Simpson, George Rappard, Jr., Edward More, Jr., J. Beal More, Jr., and Charles Warren. The umpires were Harry Aldridge and Charles Woolno.

A team selected from the Washington club will play the Sons of St. George Cricket Club, of Baltimore, on September 25, at Baltimore.

CRESCENTS TOOK TWO LABOR DAY MATCHES

The Crescents got away with two games yesterday, defeating the Republican Stars by 8 to 7 and the Athletics by 4 to 1. The Stars have defeated the Crescents once, and as the latter were anxious to even things, a great game was the result.

For nine innings the game was doubtful, first one side leading then the other, the Crescents scoring two runs and winning in the ninth. The errors made by both sides were costly. Wood, of the Crescents' crack outpaw, had the better of the argument in the box. He fanned ten of the Stars and allowed but four hits. These teams will play the third and deciding game of the series at Thirtieth and E northeast next Monday at 5:30 p. m.

Dodd pitched a good game against the Athletics and was given good support. The Crescents' next game will be with the Spaldings, Thursday evening at Thirtieth and E Streets northeast.

Fourths Now Champions Of Two Organizations

Defeat Commissioners in Morning and St. Stephen's in Afternoon—Norris Peters, by Downing Former, Best Independent.

Lovers of amateur baseball were treated to the best District could afford yesterday in a series of three games which were arranged between the champion teams of Washington.

The contesting teams were the Fourth Presbyterian, champion of the Church League; St. Stephen's Institute, which won the bunting in the Capital City League; and the Commissioners and Norris Peters teams, which, with the exception of the Klemets, are easily the two strongest independent teams in the city.

The championship is still undecided, but the Commissioners and St. Stephen's must be considered out of the running, as the former were defeated by the Fourth Presbyterians, 2 to 1, and by Norris Peters, in an eleven-inning game, by 5 to 3, while St. Stephen's was easily taken into camp by the Fourth boys by 11 to 4.

By defeating St. Stephen's the Fourth Presbyterian has gained the undisputed interleague championship of the city, and Norris Peters holds a safe claim to the independent championship.

Thus, to decide the amateur championship of all amateur clubs, a game would have to be arranged between these two teams. It is not at all unlikely that this will be done. It is a toss-up as to which would win, and both are confident.

Then, too, a game between these clubs would draw at least 1,500 persons, and would be a great success financially.

A sweeping challenge has been issued the Fourth by the Turner Athletic Club to play for the championship. The club, which has a strong team, is confident that it can win. The Turner Athletic Club is not entering the game, as they are not champions, having been beaten out in the Capital City League by St. Stephen's Institute, which proved easy prey for the Fourth. The Turners, however, should push the Fourth to the limit, as many think they have a stronger team than St. Stephen's.

The first of the series of games played yesterday was that between the Fourth Presbyterians and the Commissioners, and it resulted in a victory for the former by 2 to 1 after a hard-fought battle.

Donaldson Deserved Credit.

Will Donaldson, the crack twirler of the Sunday school boys, should be given most credit for the victory. He twirled a mastery game, holding his opponents down to two safe hits. After the first inning not a safety was made off him, and in only one inning after the first did more than three men face him. He also clubbed out a two-base awt in the fifth inning and scored the first run for his team.

Captain Charley King contributed materially to his team's victory by his excellent fielding at first base.

Cantwell, the "Boy Wonder," twirled for the Commissioners and pitched a good game, always holding the Fourth safe except in the fifth inning, when two doubles, a single, and a stolen base gave them their only runs.

Fourth Beat St. Stephen's.

Attracted by the game for the interleague championship, and the athletic meet of Georgetown University, nearly 4,000 persons were assembled on the Blue and Gray campus when the Fourth Presbyterians and St. Stephen's lined up.

The Church League won by 11 to 4, but not until a safety was thrown into them by the Capital City League players. Red Wahler was assigned to do the slaw work for the Fourth, and St. Stephen's immediately took to him like bees to a dog. Hughes, Carroll, and Welsh, the first three men up, singled, and the last named worked a double steal. Two bases on balls and a fielder's choice gave the gas men three runs.

For two innings Buscher made mon-

Keys of Captain King's men, but in the third they opened up on him for six hits, which, coupled with an error and a hit by pitcher, netted five runs. Heavy hitting by Fourth and numerous runs soon put the game beyond hope.

A silver loving cup for the intercity championship was presented the Fourth team after the game.

Norris Peters Wins.

After meeting defeat at the hands of the Fourth, in the morning, the Commissioners were treated to the same dose in the afternoon by the Norris Peters tribe. The Lithographers won by 5 to 3 in eleven innings.

The game was a pitchers' battle between "Rube" Clarke and Colliflower, and although Colliflower was batted offener, Clarke had but a shade over him in a day. With perfect support both pitchers would have held their opponents down without a score until the eighth inning.

In the eleventh the Lithographers clinched the game. Hoffman's single, Wilkerson's three-base hit, and singles by Clarke and Dougherty gave them three runs.

NATIONAL COUNCIL BEAT BALTIMORE

National Council, of the Washington National Archery League, defeated Druid Council, of Baltimore, on the White Lot Ellipse yesterday afternoon, by 2 to 0.

It was only Sam Seay's excellent twirling that enabled Washington to win. After the game the Baltimoreans were entertained at dinner.

LEESBURG WENT DOWN BEFORE DUMBARTON

At Leesburg, Va., yesterday the Dumbarton Club, of Washington, defeated Leesburg by 5 to 0.

Hutchinson, thought by many to be the best twirler in the Church League, was in the box for the Washington boys, and showed his virgins at his mercy at all times, allowing but three scattered hits.

BATTLING NELSON DEFEATED HERRERA

Received Decision Over the Mexican in 20 Rounds.

FIGHTING WAS VERY FIERCE

Allowed Loser to Assume Aggressive for Eleven Rounds and Then Started in.

BUTTE, Mon., Sept. 6.—Batling Nelson, of Chicago, last night defeated Aurella Herrera, the Mexican fighter, in a twenty-round contest fought before the Butte Athletic Club. The contest was one of the fastest seen in this city in years, and Nelson won the verdict on points and on his merits.

The men weighed in at 130 pounds, neither moving the beam. They were trained to the hour. Betting on the contest was lively, and the miners who had picked Herrera to win made him the favorite, but after the men shook hands even money prevailed.

Beat Hanlon Same Way.

Nelson adopted almost the same tactics which brought him his well-earned victory over Eddie Hanlon a few weeks ago. He allowed the Mexican to assume the aggressive in the early rounds, and did not attempt to display his real ability until the tenth round had ended.

Then he changed his tactics entirely and took the lead away from his opponent. He would feint Herrera into a lead and whip over the right with a wing effect. From the eleventh round to the end of the battle Nelson was the master of the ring, and more than made up for whatever lead Herrera had gained in the earlier rounds.

There was not an idle minute in the entire twenty rounds. Both men displayed wonderful endurance and hitting power, and that the fight went the limit was in little surprise to the spectators. The decision was a popular one.

UNIONS JUST BARELY DEFEATED NAVY YARD

The Unions defeated the Navy Yards at Benning track yesterday, by 12 to 11, in a game that was interesting until
